Anne, Gerry,

Below is the feedback I got from Point Blue (you weren't copied on their email back to me). You were both copied on Gabrielle's feedback.

Hi All,

Attached is a (internal only, at this point) draft text I wrote for an email from Anne Morkill to the Sanctuary Advisory Council members in response to some of the misstatements and misrepresentations in Susan Kegley's presentation about the mouse eradication project at the last SAC meeting.

Gerry, Jaime and Gabrielle, in particular: Please review for the accuracy of the science/data points I make.

Thanks,

Doug
