You bet. Please see attached a revised version that captures your feedback (through Mike) and y/our other, earlier edits. Pat has kindly offered to take the ball from here, so please send any final edits to her for collating/revision.

Got one more loose end to tie up on the SecInt briefing and will send same shortly. Thanks.

Hi,

Please see attached the subject doc, revised to include UT's input. I re-sent the tasking and template to WA and R1 be: I saw some traffic that indicated they intended to re-submit the related but informal feedback we solicited last week. Please let me know if you have edits on the existing content, which I'll make while we wait on the last template. Thanks.

Matt
