---

Jay,

As noted on our phone call, all the GIS data used for the Draft EIS maps is available for download at: [http://www.blm.gov/ut/st/en/prog/planning/SG\\_RMP\\_rev/deis.html](http://www.blm.gov/ut/st/en/prog/planning/SG_RMP_rev/deis.html).

I've also attached the preliminary disturbance acreage that I displayed on the screen, as well as the core/priority concept map that I displayed. Based on the general gist from the meeting, we do not plan on pursuing the core/priority concept further.

If you have any questions, please let me know.

Hi Quincy,

Was wondering if you would be able to share your shapefiles for PPMA and PGMA for Alt. D?

Also, would you be willing to share the PAC disturbance tables with and without fire that you showed us during the meeting last week. Finally, could we get that map that showed the overlap of occupied habitat and the SGMA's? Thanks so much for your help.
