Hi Patty,

I had actually got done updating 2 minutes before Nicole sent her EM out. However, I just put a call into Jess D'Elia to discuss adding a new category for stage of completion of the BLM/USFS DEIS. There's no category for DEIS being out for public review and FWS is reviewing (and we have not made a decision yet on its adequacy) so I think we should add that.

Terry and Creed -

Can you please make sure the Colorado planning efforts are up to date on the Sharepoint site.

Thanks!

If you have not checked or updated that state planning efforts tracking document in the last 2 weeks, please review and update that information by NLT noon Friday, Sept. 6. FWS leadership have a briefing for the Secretary next week and they have requested up-to-date information for that briefing. Please call if you have any questions. Thank you in advance for your prompt response.
