Good Morning,

Support the Pink House Inc is in talks with several interested parties. We sent them all the needed information, did a house tour and follow up, arranged a meeting with our Preservation Restriction people and the Town of Newbury to discuss their building and conservation questions, and are currently getting letters out to each asking for offers by mid-March.

While we have made clear there is a process we are following, one of the individuals, Adam True, stated he has relationships at Greenbelt that he may contact regardless.

We're passing this on as a professional courtesy, and would appreciate the reciprocal sharing of any activity.

Sincerely,

Support the Pink House Inc.  
By the Board of Directors
