Jennifer,

Thanks for managing your schedule and finding a date. Dec 20<sup>th</sup> --- 11am at the Refuge office works for us. Shall we plan on that? Hansi

Since the County's Hearing is scheduled for February 7th, it would be great if we could find a way to meet in December. Sue and I have played with our schedules and, if we meet at the Refuge, it looks like we both have some availability to meet sometime between 11am and 2pm (we would have to be finished by 2) on the 20th.

If this works for you all, we would really appreciate the conversation.

Thanks for the heads up. Unfortunately, I am out of the office December 12/5-12/18, and Lorenz is out of the office the 12/19 - 1/8. This is definitely a tough time of the year to try to get meetings together.

Hello Jennifer and Lorenz,

I want to let you know that we have just learned that USACE is going to Public Notice

for the Tribe's Dungeness Bay permit application. Meanwhile, the County has rescheduled our local SHR permit continued Hearing for Feb 7<sup>th</sup>. We would like to go over the permit application with you if that's helpful, and in particular, share the information we have gathered – including a review of USFWS data you provided.

Liz and I are available on Dec 6<sup>th</sup>, 10<sup>th</sup>, afternoon of 11<sup>th</sup>, 18<sup>th</sup> or 20<sup>th</sup>. We hope that one of these times will work for you, and please extend the invitation to Sue Thomas. Once we find a date/time that works, we can settle on a location. Thanks, Hansi
