TO: PARTIES OF RECORD

The Hearing Examiner held an open record hearing on April 5, 2018, on the above referenced request for a Shoreline Substantial Development Permit and a Shoreline Conditional Use Permit. On April 6, 2018, the Hearing Examiner issued a post-hearing order on the matter, and a revised post-hearing order on April 11, 2018, setting a continued hearing date of June 7, 2018.

On May 7, 2018, the Jamestown S’Klallam Tribe (Applicant) submitted an email request to continue the hearing for six months to allow the Tribe adequate time to prepare a site-specific Environmental Assessment as required by the U.S. Army Corps of Engineers for an Individual Corps Permit, rather than a General Permit. The County’s Department of Community Development (DCD) provided an email response that it has no objection to the Tribe’s request. DCD further indicated that it plans to withdraw the existing Determination of Nonsignificance (DNS) it issued under the State Environmental Policy Act (SEPA) and that it would conduct a new SEPA review based on the completed Environmental Assessment being prepared by the Applicant.

The Clallam County Rules of Procedure for Proceedings Before the Hearing Examiner on Hearings on Permit Applications and Other Hearing Matters, Sec. 9.7(2) provides that any party of record may request continuance of a hearing based on reasonable grounds and that the Hearing Examiner shall have discretion to grant or deny the request.

The Applicant has provided reasonable grounds for the requested continuance and, accordingly, the request is **GRANTED**. Unless otherwise agreed to by the County and the Applicant, the open record hearing will be held at **10:00 AM on November 15, 2018**. In addition, the County shall provide additional notice of the new SEPA determination and continued hearing.

SO ORDERED this 9th day of May 2018.
