Information regarding Jamestown S'Klallam Tribe's permit application for a commercial aquaculture farm within Dungeness NWR is available on the County's permit website http://websrv2.clallam.net/tm_bin/tmw_cmd.pl?tmw_cmd=StatusViewCase&shl_caseno=SHR2017-00011&projectcasetag=Y The County has recently issued a Modified Determination of NonSignificance for this application.

USFWS letters informing the permit process are found in the following exhibits:

The letter can be located as exhibit 29 within the document list: http://websrv2.clallam.net/tm_bin/tmw_cmd.pl?tmw_cmd=FileOp&shl_opt=download&shl_case_no=SHR2017-00011&shl_id=SHR2017-00011&shl_docfile=EXHIBITS+24+TO+34+RECEIVED+AFTER+DCD+STAFF+RPT.

Hi Jennifer,

The Friends of Dungeness NWR contacted us regarding the proposed oyster lease within the boundaries of the refuge. I understand comments need to be submitted to Clallam County. Is there a website where we can learn more about this issue?

Thanks,

Mark
