---

I am circling around checking on the acreage of the DNR tideland areas on the south side of Dungeness Bay (adjacent to Marine Drive). We are putting the finishing touches on a briefing for Robyn and this info would be very helpful.

Thanks,  
Jennifer

Jennifer, This sort of slipped through the cracks this week. Sorry. I'm off today but let's talk next week.

Still looking at options and opportunities to provide oyster aquaculture farming sites that are suitable to the Jamestown S'Klallam Tribe and reduce impacts to wildlife. In that vein, could you help me figure out the acreage of the three DNR Use Easement parcels on the south shoreline of Dungeness Bay (adjacent to Marine Drive)?

Hope your week is going well.

Thanks for your help,  
Jennifer
