Subject: Acreage of DNR tracts
Date: Tuesday, January 29, 2019 12:31:26 PM

Still looking at options and opportunities to provide oyster aquaculture farming sites that are suitable to the Jamestown S'Klallam Tribe and reduce impacts to wildlife. In that vein, could you help me figure out the acreage of the three DNR Use Easement parcels on the south shoreline of Dungeness Bay (adjacent to Marine Drive)?

Hope your week is going well.

Thanks for your help,
Jennifer
