Dave, I will not be available during the volunteer training, but I will provide a written update (re: aquaculture) that you can read to the group.

Would it be possible to have a presentation on the Tribal aquaculture topic for the Volunteer refresher on Friday, April 12th? It's an important topic and the Volunteers are likely to get inquiries. They will most certainly need to know how to respond, officially. Otherwise they may respond "unofficially".

Also, it would be good to get a EGC update as well.

Thank you, Dave
