Dave, please send this email to the volunteers, it includes information for the public comment period that many have shown interest in participating in.

**Please cut and paste it to a new email so they don't have to wade through this commentary and use the subject: Aquaculture in Dungeness NWR: Public Comment Period**

Clallam County seeks comments on a Shoreline Permit Application from Jamestown S'Klallam Tribe for a Commercial Aquaculture Operation **within the boundary of Dungeness National Wildlife Refuge**. The proposed operation is located on 50 acres of tidelands in the northeast corner of Dungeness Harbor. It includes up to 80,000 on-bottom bags on 20 acres and an additional 14 acres of on-beach oysters. The County's SEPA threshold determination will be issued at least 14 days prior to the public hearing, and their staff report will be available 7 days before the hearing..

**A Public Hearing is Scheduled:**

When: 1pm, November 21, 2019

Where: Room 160, Clallam County Courthouse

**Comments Due: By the public hearing date**

**Submit Comments to:**

Greg Ballard

Project Manager

Clallam County Department of Community Development
