Subject: Jamestown Oyster Operation within Dungeness Bay
Date: Tuesday, January 2, 2018 3:13:40 PM
Importance: High

We just received a Shoreline Permit (SHR 2017-00011) to re-establish an oyster operation with ground bags within Dungeness Bay.

I just wanted you to know about the application & we will route the Notice of Application in a few weeks for comments.

This matter should be scheduled for a public sometime in March.

You can review the application and reports at the links below
