Subject: Briefing Paper - Oyster Cultivation
Date: Thursday, July 14, 2016 11:20:57 AM
Attachments: [Briefing Paper - Oyster Cultivation - Dungeness NWR 20160712.docx](#)
Importance: High

Jennifer:

Attached is the briefing we worked on. It was sent upstairs, but they didn't include it because it was too long.

The secretary briefings should only be 1 page. And after looking at it, Terry decided it was too convoluted an issue to cut down.

So, just keep it as our most updated briefing.

Sylvia
