Jennifer:

Can we please move our meeting Tuesday morning from 10:30 to **10:00**? I am needing to juggle schedules because Kevin has another meeting he had to schedule which bumps them all out about 1/2 hr to an 1 hr.

We also have to make sure you have the information to answer the following questions.

1. Was there a written, formal request from the Tribe?
2. Does the Tribe have the Treaty Right to conduct this activity? If so, what are the limits. We both read the Treaty and do not see anything specific in there.
3. Bob mentioned this has come up in the past. Not sure if it was the commercial aspect or just their subsistence rights. Please provide any historical background on this issue.
4. We are thinking we may need to get a solicitor's opinion.

Thanks.
Sylvia
