Four G2G's? The only two that involve Refuges at this point are the Jamestown S'Klallam and the CTUIR ... am I right on that?

Hi Nathan,

Nope. No mix up. This message is all about the Sequim/Blyn trip and yes we are looking at 2 days for this one with Mary visiting some stations if possible.

I am corresponding directly with Ron. Been a lot of moving parts on this with Ron sending Robyn direct notes.. We had hope to organize as many of these GtoGs as possible while you were still in the office and avoid your paternity leave, but unfortunately that is not working out. If you are in the office today, we can discuss further. Great to know that we only have 4 GtoGs.

Thanks all.  
Vicki

Vicki,

I want to make sure we're not mixing up two different meetings.

CTUIR is in Pendleton, April 10 at 1:30 pm. It is indeed a day trip. I have confirmed that the Durango is available for the day.

Jamestown S'Klallam has now proposed April 30/May 1 in Blyn, WA (near Port Angeles). I have not seen times for that meeting yet, only dates. It is a much harder drive than the one to Pendleton due to the windy roads between Olympia and Blyn. Some version of overnight stay may be helpful, but Sylvia Pelizza and I made the trip up and back a couple of times in long day trips (12+ hours factoring in meeting time) so I can confirm that it is possible.

Nathan

update.... Tribe has offered up April 30/May 1 but we will not know until next week if Margaret Everson trip is still on....Tribe is aware of potential conflict. I have asked Tribe to have a back up plan in the event the 30/1 date does not work. Continue to stand by. Robyn is committed to making this work soon.  
Thanks...vicki

Vicki,

The following dates are available for Robyn and Mary, assuming there is  
a day of travel the day before due to the four hour drive time to Sequim,  
Washington.

Wednesday, April 3  
Thursday, April 4 (Mary not available)

Tuesday, April 23

Wednesday, April 24  
Thursday, April 25

Tuesday, April 30 (we do have a tentative hold for the Margaret Everson visit)

Wednesday, May 1 (we do have a tentative hold for the Margaret Everson visit)

Tuesday, May 7  
Wednesday, May 8

Please let me know if you'd like me to check with NWRS and EA on these dates and if you'd like me to work directly with the tribe or if you would prefer EA to do so. I am fine either way, but I won't be in tomorrow as a friendly reminder.

Thank you,

EA and Refuges,

Two asks:

1. Can you give me the times that work for the Umatilla Tribe on the 10th so we can get it on the calendar?

2. We are receiving repeated emailing requests today in RD's

office for G to G with Jamestown S'Kallam eager to set up this G to G. Who will be part of this from your office for this G-G?

Thanks.  
Vicki
