Hansi,

I've been working on the east coast at our national Training center for the past three weeks. Jennifer BrownScott drafted an update and Our Deputy RD has it now to discuss with the RD (Robyn Thorson).

I will let them know the time concerns and ask someone to get back to you.

Kevin

Good morning Kevin,

Thank you again for making the trip to Blyn. I left a voice mail on your assistant's direct line late last week. I'd like to know if USFWS has determined whether you will take any action regarding the USFWS comment letter (on record at Clallam County and USACE) that we discussed at our meeting. I appreciated your clear understanding of the issue. If you need any further information from us, please let me know.

Can you let me know what your timeline is? As you know, we'll need to let the County Hearings Examiner know our status, and meanwhile the USACE process wasn't paused so the current USFWS letter of comment continues to inform the USACE management of our application. We have a conversation with USACE scheduled on May 28. I hope that I understand the USFWS next steps before then. Thank you, Hansi
