Scott and I reviewed. The one thing we would add for clarification is to add lethally in from of the two references of remove/removal to be clear the full range of management is authorized.

Thanks. Working on my phone, so please call my cell phone if you need anything else - 720-557-4054.

I appreciate your help!

Hi Nicole,

A quick follow up on the status of the CPR inquiry. This needs to go up to HQs for approval. The deadline is COB today.

The answer was pulled from approved language in the press release and Q&A. See documents bellow for reference:

- [Q&As_CO gray wolf 10j Draft Rule DEIS_Final.docx](#)

Appreciate your prompt response.

Hi Adriana -

Vanessa is on leave today and tomorrow (her mother's funeral is today). Could you please work with your subject matter expert (Nicole Alt) on a proposed response and then send up to us using the media inquiry form. Thanks!

Hi,

I'm a reporter with Colorado Public Radio. I'm just trying to get a better idea of what "management flexibility" means when it comes to Section 10(j) of the ESA.
