Gary,

Looks good. Just a few minor comments. Also, need to be consistent whether acronyms for ASSP and SFI are used or writing out in full. I'll leave it up to you whether to use acronyms or not, but if so, need to make sure they're defined.

Hi all,

Thanks for the constructive comments. I tried to incorporate Mary's comments, though we had already settled on which "version" of the ASSP trend paragraph to use.

Any last comments? I will be sending this out by COB today to managers.
