Here's the link about the trip:

I think the tickets are sold out but Polly and Curt both bought tickets and can't go. They are both out today but will be back Friday.

Mark,

Thank you so much for your revisions to the FAQs. I'm almost done with a draft for the Complex.

Also, I'm interesting in hearing more about that possible opportunity to visit (near) the Farallons this weekend.

If it's not too late, who is the point of contact?
