Haven't had a chance to read them yet. Working on another one I have to get done. Will read in the AM. How about you?

Let's see if we can figure out the cost codes tomorrow. What I did for Ash Meadows was just provide Angie Monte with their cost code and fund center and I&M's and the amount and she handles the rest.

If you think the numbers you had are correct. I can send that to Angie in the morning and we can get things to move.

It looks like I&M will be able to cover the 12,200 for the power analysis and the 25K for the spatial analysis.

Where you good with the proposals from Point Blue?

Thanks
Kaylene

Kaylene,

I haven't heard back on this. If you really need to get funds to me today, you'll probably need to give me your cost code and I can just use that. I understand downside of that but given timeline might be all we can do right now. If you can wait a day or two then I think we can get the OFT thing worked out.

Hi Angie,

R8 Refuge Inventory and Monitoring has some funds they want to OFT to San Francisco Bay NWRC and are hoping to do this today. Cindy Ballard suggested the OFT go to FF08RSFC00-FXRS1261088MNT0. Do you have any other

thoughts/suggestions? Will this work?

Thanks!

If they can't wait for us to commit the funds, and Ciara might do that today, then they have to go through budget and finance, probably MaryAngeline "Angie" Monte. Maybe committing with a PR is faster.

Our fund center is FF08RSFC00. Budget might give us a unique WBS. They usually use FXRS1261088MNT0. We didn't get any FY15 funds in this category this year.

Either we do the PR today with their cost center/wbs or ask someone in budget. If you want me to check with B&F let me know.

Cindy,

Our Regional Inventory and Monitoring want to fund some work on the Farallon NWR. Funds will go to Point Blue in cooperative agreement mod. Can they OFT to one of our existing WBSs? If so, what? Never seen it done that way.

Thanks.

Hi Gerry,

I need to OFT the money for the Farallons work as soon as possible (ie today). Can I get your Fund Center and WBS numbers?

Right now I am looking at transferring a total of 35K for the power analysis (10K) and spatial analysis (25K).

I'll see if I can reach Russ today to find out if it is going to cost more.

Thanks

Kaylene
