Hi Mark - the slide on major changes helps explain why there is a bit of a gap since the issuance of the Revised Draft EIS and the Final EIS. That was my thought.

Hi Gerry,

The revised ppt is attached. We may want to delete the "Major Changes Between Draft and Final" and the "Public Involvement" slides. Both are topics that can be addressed if there are questions but I don't think are essential to the briefing.

Thanks,

Mark

Sorry. I sent a copy of the powerpoint to Mark and he is editing and adding more speaker notes. Can you pencil in 12:30 on Friday? We will do it as late as possible.

100% focused on that the remainder of the week. But if need be, I could be available tomorrow or Friday but I won't have much of any time to prepare.

Hi Gerry,  
Polly would like to have a dry run of the Farallones briefing before the briefing for Paul Souza. Because she is going to be out of the office next week, would it be possible to brief Polly this Thursday or Friday? She is available Thursday from 12:30 to 1:00 and between 2:00 and 4:30. On Friday she is available between 9:00 - 9:30 and from 10:30 to 12:30. I know this is very short notice.

Thanks,
