Ok. I'm asking for the Refuge to cover \$10,000 for the power analysis. Doubt I'll get all of it but hoping for at least some of it. If you committed maybe half it would be more likely to get other half. I think we're in the same boat on that. We should chat about other projects, which had much higher price tags.

I'll be in tomorrow until about 2:30 pm.

Hi Gerry,  
I am writing up info for the I&M decision process and wanted to check if there is any possibility that the refuge could also contribute funds to the analysis. It might be more feasible if we could cost share.

Thanks

Kaylene
