Gerry

April or May is Fine, I'm on island May 3rd to 17th. I'd say mid April or late May. If you guys can spare Ryan for a few hours too that would be great.

Thanks

Russ

Hi Russ et al.,

At the meeting with the FWS Inventory & Monitoring folks, they voiced they would like to meet with us all to go over the salamander project and discuss whether the study design will meet our goals. We should shoot to do this sometime in April or May. Let me know when a good time for you would be.

Thanks.
