One more large invasive species proposal to review. Can we set up a call next week to discuss?

Hi Mark,  
Attached is an FY20-21 Large Invasives Draft proposal for the Farallon Islands NWR house mouse eradication project. This has been through internal review here. This proposal has been substantially modified (and improved, hopefully) from an unsuccessful proposal we submitted last year.

We hope the RO will support this proposal and look forward to your feedback. Thank you.

Gerry
