**Subject:** Re: Farallon Islands mouse eradication communication strategy  
I am available at 1:00 pm Wednesday but only for an hour; then again at 3:00 pm.

I also recommend we include someone from ES since a communication strategy should take both documents into consideration (or at least our strategy needs to know how best to articulate connection between revised DEIS & ES report without giving away too much information), so I've copied Darrin Thome who led earlier discussions on this topic.

Thanks,  
Anne

Sounds good. I could not find an open conference room at the RO at 1:00 - Scott - does External Affairs have a meeting area?  
Patricia

I chatted with Paul and Scott this morning and I wanted to find a time to discuss the communication strategy and timing for revised DEIS.  
Can we schedule after the Wednesday 10:00 am briefing? Can we talk at 1:00 pm on Wednesday (September 25)?  
Thanks!

Andy
