Subject: Alternatives Selection Process Draft Review

Hi Gerry,

I just wanted to let you know that I am planning on working this Friday to complete the draft report and would really appreciate your comments by Wednesday so that they can be incorporated into the draft. Otherwise, the report will not be completed until the beginning of next year. Additionally, Dan and I are attempting to determine the values for the economic feasibility scoring for the operational considerations matrix; however, we cannot do so without a true estimate of the entire project budget. Can you please provide us with an overall budget estimate for the planning and implementation of the project? Thank you so much. Happy Holidays.

Gabrielle
