Patricia:

Great news...thanks for the update! We are having a Farallones Communications Meeting this morning at 10am to discuss scoping period timing, scoping letters and scoping meeting dates, so we will get back to you by today or tomorrow regarding preferred timing for the Federal Register publication. We will want to have all our ducks in a row before proceeding, but we should stay on schedule.

The draft scoping letter will need a couple changes from IC (Jacob) today and then we'll send it to Gerry and Doug for final editing. We will get back to you ASAP.
