**Subject:** Alternative development for Farallones  
**Date:** 05/16/2011 04:27 PM

---

Please find attached a DOODLE poll for an all day meeting to develop alternatives for the Farallon project.

This workshop will use an tool to assist in developing alternatives. CBA has been suggested. Gerry will investigate which tool will best suit this workshop.

We also need to identify who else needs to participate in this meeting. I assume Mendel needs to be there.
