Hello **Farallon Avian Restoration and Hazing Team!**

(I don't think we want to use an acronym for this group...)

Submitted for your review and comments (*in track changes mode only, please*) is the working Draft of the Farallon Trial Plan. This is an internal working draft, and we want your comments on it, but it is not yet ready for distribution beyond this group. (*Winston, could you please forward this to Paul Gorenzel, as well, as we would love to have his comments/participation as well.*) (*Eric: could you ensure that Derek and Valerie get this email and invite as well?*)

On **Wednesday Sept 26** (from 2pm – 3:30) we will be meeting via phone conference to discuss the details of the plan during our Gull Trial Meeting. Please also be ready to update us on the action items you were assigned from our last meeting (Sept. 5<sup>th</sup>).

Talk to you all then!
