**Subject:** Farallon Restoration Project: Partner Meeting, July 29, 9:00 - 4:00  
**Date:** 05/27/2011 03:30 PM

---

Dear Farallon Restoration Project partners,

Please mark your calendars for our next full partner meeting on July 29 from 9:00 - 4:00 to discuss public comments from the scoping, development of alternatives and other associated issues. Meeting will be held in the auditorium at the San Francisco Bay NWRC headquarters in Newark/Fremont. Please forward this to anyone in your groups that I missed. More information on the meeting will be sent in early July.

After we finalize the Cooperating Agencies list, we will need to set up a separate meeting to fill them in on the process, discuss roles and get their input. That meeting could be before or after our July 29 meeting.

Please note I'll be in the field most of next week and from June 3-17.

Gerry
