Hi Gerry and Russ,

I know you re both busy and swamped. I want to submit the NFWF and OWCN proposals on Thursday so I am hoping to get any comments you have by COB Wednesday. The OWCN is a pre-proposal so we have some time to make additional edits if we get past the pre proposal stage.

The NFWF proposal is relatively straight forward and draws on a lot of already written materials.

If I don't hear from you by COB on Wednesday I will go ahead with submitting the two proposals.

Brad
