Susan and Jan,

FYI. Just want to make sure you're office is aware that we are developing an EIS to eradicate invasive house mice from the Farallon NWR. Please let me know if you are the correct contacts in your office for review or comment on this.

Thanks.

Gerry

Subject: Re: Farralones public scoping Notice 

Hi Gerry,

We usually send these sorts of documents to the appropriate field office for their review. I believe this would be within Sacramento FWO's jurisdiction, although I'm not positive it is because it's off the coast. I'd recommend contacting the FWO (Susan Moore if Field Supervisor, Jan Knight is Deputy Field Supervisor) to gauge their interest in reviewing and commenting.

Thanks! Jana

Subject Re: Farralones public scoping Notice 

Hi Jana,

Thanks. I contacted him just to make sure he received the scoping notice, to see if he had any thoughts or wanted to be more involved in the process. Notice attached.

Subject Farralones public scoping Notice

Gerry,

April Evans passed along a message to me that you were wanting to discuss this with Mike Fris. He is out of the office this week, so I'm calling to check on what your question is. I'll be around this week if you want to give me a call; otherwise, if you email me I'll get back to you sooner.

Thanks! Jana
