Hi Gerry,

I hope you are doing well. I wanted to remind you that your comments and revisions are due for the revised Alternatives Selection Report and the Purpose and Need section from the EIS. It is imperative that I get your comments asap, so that we can complete the draft in time for the review process, which will start on June 4<sup>th</sup>. Please let me know when you will be able to return those two documents to me. Thanks so much,

Gabrielle
