Subject: Farallones Scoping Letter with Gerry comments
Date: 04/19/2011 12:17 PM

Thanks for everyone's efforts developing the scoping letter. Doug and I agreed that we would like to keep it to two pages max., including information on the public meeting, so I shortened it a bit. After discussion on the letter on our call today, Doug will put final touches on it including some more potential cutting. Directions to the meeting need to be added as well.

Gerry
