FAQs

Hi Team!

Here attached is the promised list of FAQs (and answers). This is the "subset" of the list

of FAQs that we could use on the website. However, even this turned out to be more than 20 questions. I did not receive many comments on the last version, **so I hope you can give this a close read and edit prior to our next meeting on May 9<sup>th</sup>**. I will also send out a list of INTERNAL FAQs/Hard questions next week that address difficult questions.

Thanks to Jacob for starting this list back in 2006 and helping to edit the recent version!

Cheers,  
Amy
