Hi Gerry,

I'm glad we were able to connect over the phone. I've attached all the gull harassment documents that I've found, and I've also attached the memo regarding authorization of incidental take to ultimately benefit birds.

I look forward to meeting you next month.

Take care and have a good week!

Jen

Subject: Fw: question on gull hazing

Hi Jen,

Since you will be the one getting most involved in this would you mind calling Gerry. Not sure what happened to his voicemail.

Thanks

Marie

Subject question on gull hazing

Marie,

I left a message on your voicemail, too, but can you give me a call. I have questions about mig birds issues with a proposed gull hazing trial in the Farallon Islands as part of preparation for proposed mouse eradication project.

Thanks.

Gerry
