**Subject:** Farallon evacuation  
**Date:** 10/15/2012 11:19 AM

---

Gerry:

Since there will be several different agencies and individuals present on the island for the trial, it would likely be best if your email stated that:

***“IC Staff, volunteers, contractors and other authorized individuals taking part in the USFWS Avian Hazing Trial can use USFWS medical/emergency evacuation protocols and resources”.***

This would likely also apply to USDA, OWCN, CGFG-OSPR, and PRBO staff/volunteers.
