Hi Cara,

Sorry for the delay. I'm got a little behind in February.

I have completed my review, and the proposal is now routed to my Branch Chief for final approval. If there are no further questions, you should receive the negotiation agreement for signature within a couple of weeks.

FYs 2017 final and 2019 provisional tentative rates are **37.24%**.

Our office now emails the final rate offer package to expedite the process. The package will be emailed to Ms. Padmini Srinivasan at [psrinivasan@pointblue.org](mailto:psrinivasan@pointblue.org) for signature.

Please let me know if you have any questions.

Thanks for your patience.
