Amy –

Special thanks to your office and George Macdonell for moving the permit along – much appreciated!

Amy Hanson and I are talking to Dawn and Mary around 11 eastern time in a gov-to-gov conversation about coordination through the shut-down. Then FAA, SpaceX and USFWS are all meeting around 3pm eastern to go through the BA comments.

Thank you again for meeting this morning and your kind words on our collaboration. I would like to revisit that after the next Duke/UNC matchup.

-Stacey
