Importance: High

Dawn,

Please see the attached cover transmittal letter and October 5, 2023 revised Final Addendum to the 2021 Biological Assessment. I've attached the final version for your review, and am also providing a track changed version so you can see document changes and responses to all comments provided to date. The appendices will be sent in a second and third emails to this.

We are looking forward to the discussion later today.

Thank you.
